Part III EXAMINER'S AMENDMENT

1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

2. Authorization for this Examiner's Amendment was given in a telephone interview with Mr. William Mathis on 06/08/01.

3. Claims 42-49 are being canceled without prejudice with respect to their subject matter in order to expedite the grant of a patent containing the remaining allowed claims, it being anticipated that claims directed to the subject matter of claims 42-49 will be prosecuted in a continuing application. This course of action was decided upon during a telephone call to attorney Mr. William Mathis on June 8th, 2001, after an indication from the examiner that previously allowed claims 42-49 would require further examination.

Any response to this action should be mailed to:
